

### **Location**

**Sol Y Mar Mut Inn** lies in Al Dakhla Oasis, about two hours from Al Kharga Oasis and four hours from Al Baharia Oasis. Al Dakhla Oasis is an area of outstanding natural beauty and consists of a collection of several different settlements framed to the north by a wall of rose coloured rocks. Fertile cultivated areas growing rice, peanuts and fruits are dotted between sand dunes along the roads from Farafra to Al Kharga. Mut is the capital of Al Dakhla Oasis and it is here that the beautiful Sol Y Mar Mut Inn is located. Sol Y Mar Mut Inn compliments its setting perfectly. The architecture, style and layout really do give you a feeling of being at one with nature. Charmingly simple, but comfortable accommodation in the form of individual chalets and lodges allows you to enjoy a true desert experience. The resort has its own natural thermal hot spring so you can soak in the iron-rich waters known for their healing properties or use the resort as a base to explore the dunes and beyond. Visit the Roman burial ground of Mozawaka, the temple of Deir El Hagar or the Al Qasr village built in traditional Islamic style. In the evening, sit under the stars at the open air barbecue restaurant.
